

`"uploaddata" agency_id="914" agency_form_control_number="TTB F 5220.4"`
form_revision_name="TTB Export v1" - The full description of the upload data tag includes: the agency id with a static value of 914, the form number with a static value as shown above, and the revision number with a periodically changing value updated with each new revision of the form.

`EMPLOYER_ID ()` - Nine character employer identification number as shown on your TTB Permit

`PERMIT_NUMBER ()` - The permit number as shown on the TTB Permit formatted to include dashes. Format is ST-TI-99999 where the ST is the two-character state and the 99999 is the number without leading zeros.

`Begin_Date ()` - Beginning date of the period covered by this report

`End_Date ()` - Ending date of the period covered by this report

`RETURN_ORIGINAL ()` - A value of -1 indicates the return is the first return submitted for the period. A value of 0 indicates this is not the first return submitted for the period

`RETURN_AMENDED ()` - A value of -1 indicates this return is a second or subsequent submission for the period. A value of 0 indicates it is not.

`First_Report_Checkbox ()` - A value of 1 indicates this is your first report. A value of 0 indicates it is not.

`Last_Report_Checkbox ()` - A value of 1 indicates this is your last report. A value of 0 indicates it is not.

`COMPANY_NAME ()` - The name of the company as shown on the TTB Permit

`ADDRESS ()` - The first line of the street address of the company as shown on the TTB Permit

`ADDRESS2 ()` - The second line of the street address of the company as shown on the TTB Permit

`CITY ()` - The city as shown on the TTB Permit

`STATE ()` - The state as shown on the TTB Permit

`ZIP_CODE ()` - The zip code as shown on the TTB Permit

`Number_On_Hand_Start_Period_a ()` - The number of large cigars in inventory at the beginning of the period

`Number_On_Hand_Start_Period_b ()` - The number of small cigars in inventory at the beginning of the period

`Number_On_Hand_Start_Period_c ()` - The number of large cigarettes in inventory at the beginning of the period

`Number_On_Hand_Start_Period_d ()` - The number of small cigarettes in inventory at the beginning of the period

`Number_On_Hand_Start_Period_e ()` - The amount of chewing tobacco in inventory at the beginning of the period

Number_On_Hand_Start_Period_f () - The amount of snuff in inventory at the beginning of the period

Number_On_Hand_Start_Period_g () - The amount of pipe tobacco in inventory at the beginning of the period

Number_On_Hand_Start_Period_h () - The amount of roll your own tobacco in inventory at the beginning of the period

Number_On_Hand_Start_Period_i () - The number of cigarette papers in inventory at the beginning of the month

Number_On_Hand_Start_Period_j () - The number of cigarette tubes in inventory at the beginning of the month

Number_Received_Factories_a () - The number of large cigars received without payment of tax from factories of manufacturers

Number_Received_Factories_b () - The number of small cigars received without payment of tax from factories of manufacturers

Number_Received_Factories_c () - The number of large cigarettes received without payment of tax from factories of manufacturers

Number_Received_Factories_d () - The number of small cigarettes received without payment of tax from factories of manufacturers

Number_Received_Factories_e () - The amount of chewing tobacco received without payment of tax from factories of manufacturers

Number_Received_Factories_f () - The amount of snuff received without payment of tax from factories of manufacturers

Number_Received_Factories_g () - The amount of pipe tobacco received without payment of tax from factories of manufacturers

Number_Received_Factories_h () - The amount of roll your own tobacco received without payment of tax from factories of manufacturers

Number_Received_Factories_i () - The number of cigarette papers received without payment of tax from factories of manufacturers

Number_Received_Factories_j () - The number of cigarette tubes received without payment of tax from factories of manufacturers

Number_Received_Puerto_Rico_g () - The amount of pipe tobacco received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Puerto_Rico_h () - The amount of roll your own tobacco received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Puerto_Rico_i () - The number of cigarette papers received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Puerto_Rico_j () - The number of cigarette tubes received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Other_a () - The number of large cigars received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_b () - The number of small cigars received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_c () - The number of large cigarettes received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_d () - The number of small cigarettes received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_e () - The amount of chewing tobacco received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_f () - The amount of snuff received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_g () - The amount of pipe tobacco received without payment of tax from customs custody originating somewhere other than Puerto Rico during the period

Number_Received_Other_h () - The amount of roll your own tobacco received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Other_i () - The number of cigarette papers received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Other_j () - The number of cigarette tubes received without payment of tax from customs custody originating in Puerto Rico during the period

Number_Received_Export_Warehouses_a () - The number of large cigars received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_b () - The number of small cigars received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_c () - The number of large cigarettes received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_d () - The number of small cigarettes received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_e () - The amount of chewing tobacco received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_f () - The amount of snuff received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_g () - The amount of pipe tobacco received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_h () - The amount of roll your own tobacco received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_i () - The number of cigarette papers received without payment of tax from an export warehouse during the period

Number_Received_Export_Warehouses_j () - The number of cigarette tubes received without payment of tax from an export warehouse during the period

Number_Received_FTZ_a () - The number of large cigars received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_b () - The number of small cigars received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_c () - The number of large cigarettes received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_d () - The number of small cigarettes received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_e () - The amount of chewing tobacco received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_f () - The amount of snuff received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_g () - The amount of pipe tobacco received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_h () - The amount of roll your own tobacco received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_i () - The number of cigarette papers received without payment of tax from a foreign trade zone during the period

Number_Received_FTZ_j () - The number of cigarette tubes received without payment of tax from a foreign trade zone during the period

Number_Overages_a () - The number of large cigars identified as an overage during an inventory during the period

Number_Overages_b () - The number of small cigars identified as an overage during an inventory during the period

Number_Overages_c () - The number of large cigarettes identified as an overage during an inventory during the period

Number_Overages_d () - The number of small cigarettes identified as an overage during an inventory during the period

Number_Overages_e () - The amount of chewing tobacco identified as an overage during an inventory during the period

Number_Overages_f () - The amount of snuff identified as an overage during an inventory during the period

Number_Overages_g () - The amount of pipe tobacco identified as an overage during an inventory during the period

Number_Overages_h () - The amount of roll your own tobacco identified as an overage during an inventory during the period

Number_Overages_i () - The number of cigarette papers identified as an overage during an inventory during the period

Number_Overages_j () - The number of cigarette tubes identified as an overage during an inventory during the period

Number_Other_1_Remarks () - Description of the values in line 10

Number_Other_a () - The number of large cigars added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_b () - The number of small cigars added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_c () - The number of large cigarettes added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_d () - The number of small cigarettes added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_e () - The amount of chewing tobacco added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_f () - The amount of snuff added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_g () - The amount of pipe tobacco added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_h () - The amount of roll your own tobacco added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_i () - The number of cigarette papers added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Other_j () - The number of cigarette tubes added to inventory due to the explanation in the Number_Other_1_Remarks text field during the period

Number_Total_a () - The total number of large cigars in inventory and added to your inventory during the period

Number_Total_b () - The total number of small cigars in inventory and added to your inventory during the period

Number_Total_c () - The total number of large cigarettes in inventory and added to your inventory during the period

Number_Total_d () - The total number of small cigarettes in inventory and added to your inventory during the period

Number_Total_e () - The total amount of chewing tobacco in inventory and added to your inventory during the period

Number_Total_f () - The total amount of snuff in inventory and added to your inventory during the period

Number_Total_g () - The total amount of pipe tobacco in inventory and added to your inventory during the period

Number_Total_h () - The total amount of roll your own tobacco in inventory and added to your inventory during the period

Number_Total_i () - The total number of cigarette papers in inventory and added to your inventory during the period

Number_Total_j () - The total number of cigarette tubes in inventory and added to your inventory during the period

Number_Removed_Export_Warehouses_a () - The number of large cigars removed without payment of tax to another export warehouse during the period

Number_Removed_Export_Warehouses_c () - The number of small cigars removed without payment of tax to another export warehouse during the period

Number_Removed_Export_Warehouses_e () - The number of large cigarettes removed without payment of tax to another export warehouse during the period

Number_Removed_Export_Warehouses_f () - The number of small cigarettes removed without payment of tax to another export warehouse during the period
